STEP 1

Visit mybmv.com to find out when your driving privileges can be reinstated and to download a copy of your certified driving record.

STEP 2

Call LifeSafer Ignition Interlock **855-527-1597** to schedule your ignition interlock installation. Ask about money saving offers.

STEP 3

Bring the following to your installation appointment: current registration or title, proof of insurance, court referral paperwork, permission slip from the vehicle's registered owner if you don't own the vehicle to be installed.

STEP 4

Once the requirements have been completed, contact the court so that they can send the information to the BMV. You cannot notify the BMV directly.

STEP 5

Have your insurance provider submit a proof of form (SR-50 or SR-22) to the BMV. You cannot submit the forms to the BMV yourself.

STEP 6

Pay all insurance and/or reinstatement fees as noted on your Viewable Driver Record or Official Driver Record. You may pay those fees online, by phone at 888-692-6841, or by mail.
