STEP 1

If you have been convicted of a drunk driving offense you may need an interlock license from the Ohio BMV. Check with your probation officer for specific requirements.

STEP 2

If you qualify, Call LifeSafer Ignition Interlock **855-527-1597** to schedule your interlock installation. Ask about any special offers.

STEP 3

In addition to an interlock, you may need to complete the following: Driver Intervention Program, Alcohol Screenings and proof of financial responsibility (also known as an SR-22 insurance rider). Your insurance company can help you with this.

STEP 4

Pay all fees and fines, including a license reinstatement fee.
