STEP 1

If you are released on bond and ordered to install an ignition interlock, call LifeSafer within 24 hours to schedule an installation as soon as possible. You may only have 72 hours in some courts to install the device.

STEP 2

If you were not ordered upon bond release, upon conviction you will need an interlock device. Call LifeSafer Ignition Interlock **855-527-1597** to schedule your interlock installation. Ask about discounts and special offers. We can schedule install appointment around your court appearance. Cancel anytime if you are not convicted.

STEP 3

For your convenience, submit both the restricted interlock license fee and any reinstatement fees owed together to the following address for processing:

Texas Department of Public Safety
ATTN Central Cash Receiving
PO BOX 15999
Austin, Texas 78761

STEP 4

You must include your name, date of birth and driver license number on all documents so your record can be properly identified. Once the Department has received your request for an interlock license, including all necessary payments, please allow 21 business days for processing.
