

# WEST VIRGINIA LICENSE RECOVERY AFTER A DUI

restore your **freedom**  
to drive quickly,  
affordably, and **easily**.

## We are wallet friendly

Our pricing is competitive, upfront, and easy to understand.

## We are experts

You won't have to figure out complex laws, rules or paperwork on your own.

## We are available anytime

You will never be stuck – customer care is available 24/7, 365 days a year.

## We are committed to your success

We work with your monitoring agency to ensure your reports are submitted correctly.

## STEP 1

Complete and submit an Application for the Alcohol Test & Lock Program to the DMV for approval.

## STEP 2

Call LifeSafer Ignition Interlock **855-527-1597** to schedule your interlock installation. You must have the ignition Interlock device installed within six (6) months of the date of application for the Alcohol Test and Lock Program.

## STEP 3

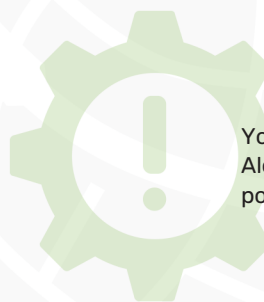

You must be driven by a licensed driver to the ignition interlock device installation appointment and the DMV to get an interlock restricted license.

## STEP 4

Enroll in a state approved DUI Safety and Treatment Program.

Do not drive while your license is suspended.

You may apply to participate in the Motor Vehicle Alcohol Test & Lock Program. Apply as soon as possible after your arrest to keep driving.
